

## Don't book your next shipment until you have seen what Universal Logistics offers:

- Industry-leading logistics services for the book trade since 1949
- Over 100 existing book industry clients, including many of Canada's largest book publishers
- Strategically positioned offices on both sides of the U.S./Canada border, offering a one-stop trucking and customs brokerage solution
- Competitive rates and tailored pricing made possible by the large shipment volumes we handle annually
- Customized solutions including weekend, after-hours and same-day pick-ups
- Fast, reliable transit times through a North American network of dedicated, direct carriers
- Direct delivery to the largest retailers, using arranged standing delivery times
- Carrier relationship management to ensure equipment availability during peak seasons
- Vendor management programs for consolidating LTL orders from key publishing centres
- Direct bindery pick-up for time sensitive or best-selling titles
