

Ready to book your next freight move from the UK or Asia to North America? There are four great reasons why **Universal Logistics** is your #1 freight solution for books:

1. Already servicing over 100 book industry clients, including many of the major international publishers, printers and retailers
2. Founding member of *BookFreight*, a worldwide network of freight forwarders specializing in the book trade
3. Industry leading ocean and air services from the UK, Hong Kong, and China to Canada and the USA, where we offer customs clearance and trucking services
4. Ideally positioned to handle shipments from the key international printing centres – and pass on the resulting savings to our clients

Why settle for less? Get the whole story by giving us a click or a call.
